

# NBHA California 2007 State Championships Vendor Application Form

The following information applies to the NBHA California State Championships to be held in Tulare, California, October 4, 5, 6 & 7. Last year's turnout of over 350 contestants proved to make the NBHA State Show the largest barrel race in the State of California in 2006. This year, we anticipate a minimum of 400 contestants, conservatively. Your business is sure to do well with a turnout this size!

We try to limit the number of vendors in any one market segment to ensure that everyone has a good weekend. It doesn't do any of us a bit of good if vendors don't make their money on our shows. We hope that by taking this approach and limiting the number of vendors, that we enhance the quality of the relationships that we have with our vendors. Product donations towards our awards program are appreciated. Vendor space will be provided first to our partners, and then on a first come, first served basis.

**PLEASE NOTE that the following market segment(s) are completely booked and we are not accepting any more applications for them: TACK, CLOTHING**

Contact Susan Eskander at (818)317-7852 to find out how you can support our State Show and become an NBHA California partner! Together, we can work to boost your sales and build our show!
